

SKI PORTILLO

THE SPIRIT OF THE ANDES

Thanks to everyone that joined us this 2022 season at Ski Portillo!

We are very happy to have reopened our doors after two years, get to spend time on the slopes with all of our friends, and enjoy Portillo once again. With amazing snow conditions, it was a successful season reuniting with our dear and loyal guests.

Winter is winding down, and we would like to announce that our last day of the season will be September 19 .

Thanks to everyone and we look forward to seeing you in 2023!
